Then I am de off?

EDITORS CLARION: Please indulge

me space to pay my respects to those who did me the honor to notice my communication against the repeal of the Lien Law. I am surprised to know that what I wrote should stir up so many brilliant champions of the repeal, and wish here to extend thanks for courtesy, wish here to extend manks for courses, and to say something in reply to each.

"Mr. D. of Hinds says: "The fact is, this crop mortgage law should be repealed for the Tenson that its existence has produced" the hard times. Now, is this a fact? Have the hard times ever indulging in the sciences of book keep large. Marie Antoinette Josephine intimate female friends and spend the time at needlework, is an exquisitely to this law? been traced back indubitably to this law? Is he not laboring order a misconception of the fountain of our reverses Where was there a planter who did not see anstere discomfitures before the law was enacted? Indeed were not times

more tormenting and bread and clothes troduced? Is it not true that nearly all settlements in the fall required the help of magistrates? Have we ever had, under the present status, such confusion and turmful as to agricultural products, as kept the State boiling up to the time of the last law? Then, if our condition is rendered less everations, by these open in sorted at the rate present status with the countries of Storm per cast, with the allowed inserted at the rate present status with a large from the state boiling up to the dispersant of the last law? Then, if our condition is rendered less everations, by these open in sorted at the rate present status with a state boiling up to the dispersant of the state boiling up to the dispersant of the state boiling up to the time of the last law? Then, if our condition is rendered less everations, by these open in some things, it is true, but just here a demonstrated in the order of an and promissing men of the time of the state boiling up to the time of the last law? Then, if our condition is rendered less everations, by these open in some things, it is true, but just here a demonstrated of the state locality paraphered is accused to some source of the state locality paraphered at the rate presence of the state locality paraphered is settlements and turmful as to agricultural products, as kept the State boiling up to the time of the lime, corntrates of Storm on the conqueror of Europea is the rate presence of the state of the st surely trace the causes to some source outside the liep law. Reflection will show him that it is not only harmless, but absolutely a shield against many annoyances. How to trace the causes of our discontent to their source is not my our discontent to their source is not my outside the allegata. It is nowhere shown or attempted to be demonstrated, and therefore of no weight from bare assertions. The wisdom of one Legislature put this wholesome law on our statute, and there the wisdom of the next and our discontent to their source is not my outside the found in the labit of lifting off my hat to every man I meet. I do not allow a downs of fortune. Once he carried a reasonable man beimpolite when every body else is smiling and bowing to him as if he was an emperor. I have fallen into the habit of lifting off my hat to every man I meet. I do not allow a downs of fortune. Once he carried a reasonable man beimpolite when every body else is smiling and bowing to him as if he was an emperor. I have fallen into the habit of lifting off my hat to every man I meet. I do not allow a downs of fortune. Once he carried a reasonable man beimpolite when every body else is smiling and bowing to him as if he was an emperor. I have fallen into the habit of lifting off my hat to every man I meet. I do not allow a downs of fortune.

them of it then; and furthermore feel pretty confident that control has never passed into the hands of merchants or any other class. Just here, indeed, may repose the cause of all our troubles; if If there is any general control, it surely Carnot be Regulated by a State - Eull Americans. They take particular pains with the belief that he was a capitalist is not generally known. That control seems to be lost. Find it; hold it up. that all may direct the storms and conduct plantations, once again, under mete bellum ideas. But we fear it is lost forever, and our labor to remain uncontrollable, all the new laws and schemes to the contrary notwithstanding. It was under the late 15th amendment system, follows: it may be enscrolled among the lost

Mr. D. furthermore says: "The lien law has placed the control of the cotton crop, into the hands of capitalists, fix-ing its price twelve months shead.", How can this be shown? It may be a d about get up another for next year. The new credit, and that credit most assurally be ill City is a large hotel, real estate. Now will this charge se turn the channel of the nett crop

The following is an extract from a day evening of last week:

Y, NOVEMBER 14, 1883. No. 46.

If there is any evidence that this generation of Americans is prone to follow the devil on the downward read to peration of Americans is prone to follow the devil on the downward read to peration of Americans is prone to follow the devil on the downward read to peration of an office for popular devices for getting some thing for nothing or in other words, in the widespread passion for gambling.

Not only in the large cities where vice has its temples, but in many quiet ville lages, and in some of our scademies and colleges the faro bank and poker table are raining some of the most gifted.

H. B. Mayes, R. P. Willing, L. O. Bride well and R. N. Miller, a committee to break ecclesiastical pretension. In all religions and churches there have been and anon need another iconoclast to break ecclesiastical pretension. In all religions and churches there have been those who would tyramize over the souls of the people. It is a great mistake to suppose that the Catholic Church has had the monopoly of persecution. Cot ton Mather, a Protestant minister of the monopoly of persecution. Cot ton Mather, a Protestant minister of the people. It is a great mistake to suppose that the Catholic Church has had the monopoly of persecution. Cot ton Mather, a Protestant s. Servette for popular devices for getting some thing for nothing or in other words, in the widespread passion for gambling. Not only in the large cities where vice has its temples, but in many quiet ville lages, and in some of our scademies and colleges the faro bank and poker table are raining some of the most gifted.

A lieutenant in the French army has been retired for stating that the French army has been retired for stating that the French army has been retired for stating that the French army has been retired for stating that the French army has been retired for stating that the French army has been retired for stating that the French army has been retired for stating that the French army commanders when they burned the Quakers? Pr exchange very aptly remarks that, in view of the probable occurrence of other little affairs of the kind during the trou ble with China, the French Government him appointed to some insignificant stathe Hon. H. S. Foote, and to the unible with China, the French Government should require its army and navy officers to pass a thorough examination in lying. In war times the truth must not always be told, and correspondents often the being the pass at the course with the mand while in the discharge of the duties imposed by his there will call a council and not invite. ways be told, and correspondents often get into trouble by doing so. During the early part of our Confederate war there was a correspondent of a Mobile paper, the Advertiser we think it was who followed the army of Gen Bragg and wrote most interesting letters to his paper. He had been for years a member of the New Orleans bar, and of little paper all over Protestantism—

If he be in the Congregational Church, they will call a council and not invite office during the term he has held the same.

2d. That he has at our courts disscharged the duties of his office with great ability and impartiality; making no distinction between any classes of persons, between the rich or the poor; the high and the low. And while he

his paper. He had been for years a member of the New Orleans bar, and had dipped enough into the mysteries of newspaper business during his leisure hours, which were altogether too numerous for his pecuniary profit, to know pretty well what is required of a correspondent. This gentleman, Mr. Sampled C. Reid, got to divulging secrets in harness of the church there is too much harness of the church there is too much harness of the church there is too much forwarded to our country to the poor; the high and the low. And while he has guarded with fidelity the interest of the State, has been careful at the same time to guard against a conviction of the innocent.

3d. That a copy of these resolutions to harness of the church there is too much harness of the church there is too much

The Prize Drill.

Three companies entered the drill vesterday at the Fair Grounds, the Rifles of camp-life—that the course and mea-gre face served out to officer, soldier, and rons and the West Point Rifles. The gre fare served out to officer, soldier, and rons and the west was and then held and the above resolutions correspondent alike, would prove detripate the first company association with Maj. Foote during his Regular army. The first company The imperturable Sam declared that he was a Confederate, heart and soul, and drilled was the Vicksburg Rifles and the term of office. though his physical condition would not a lmit of his shouldering a musket in defense of the glorious cause, he was per-fectly willing to share all the hardships fore the programme was finished. This and subsist on the miserable rations that company was composed of youths and the "boys" received, or in his own words boys, and was the smallest and mes in he could stand the racket," and sent size of the three companies; their unihis acknowledgements to the General forms were cadet gray with navy blue

A Child's Faith.

In a town of Holland there once lived a very poor widow. One night her children asked her in vain to give them bread, for she had none. The poor woman loved the Lord and knew that he was good; so, with her little ones around her,

faith, threw the door wide open, so that

Soon afterwards the burgomaster passed by, and noticing the light, paused and thinking it very strange, he entered the cottage, and inquired why they left the door open at night. The widow replied, smiling, "My lit-tle Dirk did it, sir, that ravens might fly in to bring bread to my hungry child-

"Indeed," cried the burgomaster, "then here's a raven, my boy. Come to my home, and you shall see where bread may soon be had." So he quickly led Lieut.-Col. Thomas L. Casey who was the boy along the street to his own

The monument consists first of two lisping of an infant's prayer, as a child's

"No, sir; I was thinking what a little thing a brick is, and what great houses are built by laying one brick upon an "Very true, my son; never forget it

A Panama special says: Capt. D. So it is in all great works. All your
